Tampa, Florida – Nidia Roxana Maradiaga-Flores (28), an illegal alien from Honduras, has been sentenced by U.S. District Judge Steven D. Merryday to two years and two months in federal prison for aggravated identity theft, false representation of a Social Security number, and making a false claim of United States citizenship for employment purposes. Maradiaga-Flores was found guilty on January 14, 2026. United States Attorney Gregory W. Kehoe made the announcement.

According to testimony and evidence presented at trial, Archer Western-de Moya Group Joint Venture II (Joint Venture) is enrolled in E-Verify, a web-based system through which employers electronically confirm the employment eligibility of their employees. Maradiaga-Flores was an illegal alien from Honduras with no lawful status in the United States. On March 23, 2022, Maradiaga-Flores applied for employment with the Joint Venture in Pinellas County and filled out an I-9 form for use in the E-Verify system. On that form, Maradiaga-Flores falsely identified herself as a United States citizen and used another person's means of identification to defeat the E-Verify system.

This case was investigated by Homeland Security Investigations, the Department of Transportation – Office of Inspector General, the Social Security Administration–Office of the Inspector General, the United States Border Patrol, the Department of Labor – Office of Inspector General, the Florida Department of Law Enforcement, and the Pinellas County Sheriff's Office. It was prosecuted by Special Assistant United States Attorney Joseph Wheeler III and Assistant United States Attorney Karyna Valdes.
