MEMORANDUM FOR: LOREN SWEATT
Principal Deputy Assistant Secretary
for Occupational Safety and Health

Elliot P. Lewis

FROM: ELLIOT P. LEWIS
Assistant Inspector General
for Audit

SUBJECT: Audit of COVID-19 OSHA Inspections
Collaboration Process

Please be advised the Office of Inspector General is initiating an audit of OSHA's COVID-19 inspection collaboration with other federal agencies. The audit will focus on OSHA efforts to promote collaboration with other federal agencies with employees that either work on-site or provide federal oversight at worksites, including but not limited to agencies with on-site federal inspectors, about potential workplace safety and health violations, especially during the pandemic.

We will contact your audit liaison to schedule an entrance conference to discuss the audit's objective, scope, and methodology. Due to the urgency of this work, we would like to have an entrance conference the week of October 19, 2020, and plan to begin work immediately after the entrance conference. We would appreciate your notifying appropriate agency officials of our plans.

If you have any questions, please contact Mark Schwartz, Audit Director, at (917) 406-5871.
