Dear Mr. Bhola:

As required by Title 2 Code of Federal Regulations Part 200, the Office of Management and Budget's "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" (Uniform Guidance), we are initiating a quality control review of the single audit report on the South Carolina Department of Employment and Workforce for the fiscal year ended June 30, 2022, conducted by Scott and Company LLC.

Our objective is to determine if the single audit was conducted in accordance with applicable standards, including generally accepted government auditing standards and generally accepted auditing standards, and met the requirements of Uniform Guidance.

We will hold an onsite entrance conference at 9 a.m. on June 1, 2026, and we will begin work immediately following this conference. Upon completion of our fieldwork, we will brief you regarding the results of the quality control review.

We appreciate your cooperation in this matter and look forward to a successful review.

Sincerely,
