Dear Ms. Whitt:

The purpose of this final report (Report Number 18-12-005-03-360) is to formally advise you of the results of a Quality Control Review (QCR) the U.S. Department of Labor (DOL), Office of Inspector General conducted of the following audit performed by Aronson LLC under the Federal Single Audit Act (Act) and Office of Management and Budget Circular A-133 (A-133):

The objectives of the QCR were to determine whether: (1) the audit was conducted in accordance with applicable standards and met the single audit requirements, (2) any follow-up work is needed, and (3) there are any issues that may require management’s attention.

The major programs included in our review were as follows:

Based on our review of the audit documentation related to the programs above, we determined that the audit work performed was acceptable and met the requirements of the Act and A-133. No follow-up work is required and there are no issues that require management’s attention.

Since our review included Recovery Act funds, we are required by the Recovery Act to post this report on our website www.oig.dol.gov and link it to the Recovery Accountability and Transparency Board’s website www.recovery.gov.
